Camogie

Since September 2010, Camogie in Commercials has gone from strength to strength. We now have a total of 50 girls on our panel. The Under 13's girls are doing extremely well in the league and had a great win against Erin go Bragh, Ballyboden St. Endas and a draw against O'Dwyers. Our next match is on Sunday 12th June against O'Dwyers, at home. We're so proud of the U11's they've played four league matches winning one match with great style. We know there's plenty more where that came from and they'll get lots of practice as the league goes on till November. The interest in the camogie section has been amazing and we now have an U10's team to add to our list. They've already played in their first friendly and will take part in the cluster blitz's in June. To all the parents we'd like to extend a huge Thank you for your support and commitment to the training sessions and matches.

We have a panel of 17 players and would love to have more so if anyone wishes to come along we train every Friday evening from 7pm to 8 pm.

Matches are over for the time being and we wish all our players the best of luck in their Junior Cert exams.

For anyone wishing to join us contact Mark 0857644561 or Fionan 0862655366.

Under 13's Hurling

Under 13's are doing extremely well. We are top of the league with 4 wins out of 5. Well done to each and every player, keep up the hard work.

A special mention to Liam Maher and Cormac O'Nuallain. They were picked for trials for the U13 Development squad. Well done to them.

Our next match is Sat 4th June.

Under 11's

They have had some really tough matches recently vs Ballyboden & Faughs but also some very good wins against St. Sylvesters and St. Vincents.

Under 9's

We have recently competed against Clanna Gael and Naomh Olaf. While winning and losing in these matches, our players have proved to be strong competition. They are playing extremely well and we are all very proud of them. While still struggling to make up both teams we are very thankful to the U8's, U11's and our fantastic camogie girls who have all helped us out by playing with us on different occasions.

We want also to wish Cathal O'Luasa and Sean Glynn a speedy recovery. Both players are really missed and we look forward to you both returning soon. Congratulations to all our players who made their First Holy Communion during the Month of May. Thanks also to our players' parents for their invaluable help and Support in travelling to both home and away matches. We couldn't do it without you.

Phones for Defibrillator

Sudden Cardiac Arrest can happen to anyone, anytime, anywhere. When it strikes, every second counts. For every minute that defibrillation is delayed, the victim's chance of survival is reduced by up to 10%. Therefore, it is vital that life-saving defibrillators are available to rescuers trained in CPR and the use of Automated External Defibrillators (AED's) within a few minutes of collapse

Fones 4 life have come up with a great initiative, if we collect 360 phones, we get a defibrillator and training for 6 people.

This recycling initiative will not only assist our club, but will also benefit the environment by preventing the pollution caused by discarding old phones into landfills. It is estimated that there are millions of old phones in Irish households.

Everyone has the odd phone lying around their house so please collect your unwanted phones and bring it down to the club. A recycling box will be available to deposit your phones. Thank you
